

1'S X

In this test you have five questions with four sections in each. All your results will be anonymous and used in my final dissertation as data to confirm or refute my hypothesis. However, this exam can be used as a review for the end of your course.

1. Complete the sentences with the verbs in the brackets. Use the first conditional. 0'25

- If the ice caps will melt X, sea levels will rise ✓. (melt, rise)
- If we will use even more renewable energy, we will help ✓ the environment. (use, help)
- Many countries will be X in danger if the sea level will continue ✓ to rise. (be, continue)
- Unless it will rain X more, rivers and lakes will disappear X. (rain, disappear)

2. Choose the correct words to form the second conditional. 0'375

- If people recycled more, will / would there be / was less pollution? ✓
- If I were / was you, I won't / wouldn't waste that food. X
- The world would be / is a cleaner place if developed countries cared / would care more about the environment. ✓
- If I had / have 1 million euros, I will / would donate part of it to an organization. X

3. Complete the sentences with the first or second conditional form of these verbs: 0'25

- If people used public transport more, there would be ✓ (be) less pollution.
- Problems wouldn't grow X (grow) if we don't do something soon.
- People wouldn't get so ill if they had X (have) clean water.
- If we would protect X (protect) our environment, global warming will continue.

4. Match the beginnings of the sentences with their endings. Use the third conditional. 0'375

- | | |
|--|--|
| ✓ d) i. If she had heard the weather forecast, | a) if he <u>would know</u> X (know) there was meat in it. |
| a x c) ii. He wouldn't have ordered that dish | b) he <u>had</u> X (have) fewer problems now. |
| c x a) iii. She would have become vegetarian | e) if she <u>had understood</u> (understand) the benefits. ✓ |
| ✓ b) iv. If he hadn't used all that electricity, | d) she <u>would go</u> X (go) to the mountain. |

5. There may be an error in these sentences. Underline the evidence, correct the sentence, and identify which conditional is being used (1st, 2nd or 3rd). 0'25

- If I have 10.000€, I would travel to Australia. 3rd X 2
- They will go to the mountain next weekend, if the weather is good. 1st ✓
- Many animal species won't have become extinct if people had protected them. 3rd ✓
- Unless Elena runs, she won't catch the bus. 2nd X 1

0'S ✓ X

In this test you have five questions with four sections in each. All your results will be anonymous and used in my final dissertation as data to confirm or refute my hypothesis. However, this exam can be used as a review for the end of your course.

1. Complete the sentences with the verbs in the brackets. Use the first conditional. 0

- If the ice caps would melt ~~X~~ ^{melt}, sea levels rising ~~X~~ ^{will rise}. (melt, rise)
- If we used ~~X~~ ^{use} even more renewable energy, we help ~~X~~ ^{will help} the environment. (use, help)
- Many countries was ~~X~~ ^{will be} in danger if the sea level continued ~~X~~ ^{continues} to rise. (be, continue)
- Unless it will rain ~~X~~ ^{rains} more, rivers and lakes disappearing ~~X~~ ^{will disappear}. (rain, disappear)

2. Choose the correct words to form the second conditional.

- If people recycled more, will / would there be / was less pollution? 0'375
- If I were / was you, I won't / wouldn't waste that food.
- The world would be / is a cleaner place if developed countries cared / would care more about the environment.
- If I had / have 1 million euros, I will / would donate part of it to an organization.

3. Complete the sentences with the first or second conditional form of these verbs: 0

- If people used public transport more, there were ~~X~~ ^{would be} ~~wouldn't have~~ (be) less pollution.
- Problems grew ~~X~~ ^{will grow} (grow) if we don't do something soon.
- People wouldn't get so ill if they had ~~X~~ ^{would have} (have) clean water.
- If we would protect ~~X~~ ^{don't protect} (protect) our environment, global warming will continue.

4. Match the beginnings of the sentences with their endings. Use the third conditional. 0

- | | |
|---|---|
| i. If she had heard the weather forecast, | a) if he <u>would</u> ^{know} (know) there was meat in it. |
| ii. He wouldn't have ordered that dish | b) he <u>would</u> ^{have} (have) fewer problems now. |
| iii. She would have become vegetarian | c) if she <u>would</u> ^{understand} (understand) the benefits. |
| iv. If he hadn't used all that electricity, | d) she <u>was</u> ^{were} (go) to the mountain. |

5. There may be an error in these sentences. Underline the evidence, correct the sentence, and identify which conditional is being used (1st, 2nd or 3rd). 0'125

- If I have 10.000€, I would travel to Australia. 1st ~~X~~ ²
- They will go to the mountain next weekend, if the weather is good. 2nd ~~X~~ ¹
- Many animal species won't have become extinct if people had protected them. 3rd ✓
- Unless Elena runs, she won't catch the bus. 2nd ~~X~~ ^{1st}

Prueba grupo de estudio – 3ºB

In this test you have five questions with four sections in each. All your results will be anonymous and used in my final dissertation as data to confirm or refute my hypothesis. However, this exam can be used as a review for the end of your course.

1. Complete the sentences with the verbs in the brackets. Use the first conditional. 1

- If the ice caps melt, sea levels will rise. (melt, rise)
- If we use even more renewable energy, we will help the environment. (use, help)
- Many countries will be in danger if the sea level continues to rise. (be, continue)
- Unless it rains more, rivers and lakes will disappear. (rain, disappear)

2. Choose the correct words to form the second conditional. 1

- If people recycled more, will / would there be / was less pollution?
- If I were / was you, I won't / wouldn't waste that food.
- The world would be / is a cleaner place if developed countries cared / would care more about the environment.
